Brunch at Risorgimento Resort

Our brunch derives from the desire to pay homage to the Anglo-Saxon tradition, by proposing an intercontinental gastronomic journey: the typical flavours of Salento and much more, because love for food knows no boundaries.

Every Sunday, our Chef offers a buffet with a wide selection of savoury and sweet dishes to satisfy every need.

You can choose between 2 options:

- **€ 40 per person:** the menu includes cover charge, mineral water, soft drinks and a bottle of wine per four guests
 - **€ 15 per child:** Kids zone with a dedicated baby menu and entertainment/babysitting service for children aged 4 to 10
-
